SIR,

Subject:- G.O.C.-IN-CHIEF SOUTHERN COMMAND TOUR PROGRAMME.

I am desired to invite reference to your Headquarters letters No.26611 USD, dated the 17th September 1949 and No.10016 A, dated the 20th September 1949.

I am to point out that little or no notice was given on this occasion of such a prolonged stay of the G.O.C.-in-Chief in Bangalore as was programmed and there was no prior request either to treat him as a State Guest or to put him up at the Residency. It seems to have been taken for granted that accommodation would be available at the Residency as a matter of course and the programme was issued accordingly without prior consultation with this Office. In order to avoid disappointment and inconvenience all round, I am to suggest that, in future, it would be well if requests for accommodation are sent well in advance preferably a fortnight in advance, as otherwise it will be difficult to comply with such requests.

Yours faithfully,

CONFIDENTIAL

To

The Officer Commanding,
HQ Bangalore Sub Area,
BANGALORE.

Dear Sir,

Sub: GOC-IN-C'S SOUTHERN COMMAND
TOUR PROGRAMME.

I am desired to invite reference to your Headquarters letters No.26611 GSD dated 17th Septr. and No.10016 A dated 20th Septr. 1949, [and to state that according to the revised programme, the GOC-in-C will be making ~~an extended~~ and extended stay at Bangalore.

I am to say that, owing to the many calls on the limited accommodation available at the Residency, especially at this season when a large number of visitors will be passing through Bangalore on their way to Mysore for the Dasara Festivities, it will be extremely inconvenient to make provision for the extended stay as suggested. . I am to add that, owing to the Sessions of the International Seminar Adult Education at Krishnaraj Sagar in the first week of October 1949, there will be a continuous flow of visitors passing through Bangalore towards the end of this month and accommodation will have to be found for them. In the circumstances, I am to request you kindly to see whether other arrangements cannot be made for the stay of the GOC-in-C at Bangalore from 1st October onwards.

In this connection,] I am to point out that little or no notice was given on this occasion of such a prolonged stay of the GOC-in-Chief in Bangalore ~~xxx~~ as [has ^{been} programmed and there was

prior

no request either to treat him as a State Guest or to put him up at the Residency. It seems to have been taken for granted that accommodation would be available at the Residency as a matter of course and the programme^{was} [has been] issued accordingly without prior consultation with this office. In order to avoid disappointment and inconvenience all round, I am to suggest that in future, it would be well if requests for accommodation are sent well in advance preferably a fortnight in advance, as otherwise ~~it may not be possible~~ ^{it will be difficult} to comply with such requests.

[An early reply will be greatly appreciated.]
